

CLINICAL INFO SOLUTIONS

IMPROVING THE BUSINESS AND DELIVERY OF HEALTHCARE

- The highest level of service and commitment
- Extremely well trained and knowledgeable staff
- Personal account representatives for each practice
- Free insurance eligibility verification
- Stringent internal audit processes
- Daily claim submission and prompt follow up on denials
- You are in control: We can work on your server on your software
- No restrictive contract: 30 day notice only, if you are not satisfied
- Hipaa compliant

Why Choose Info Solutions?

- ❖ What if your overhead cost went down by up to 30%?
- ❖ What if your staffing issues were eliminated forever?
- ❖ What if your reimbursement increased by 20%, or more without adding resources?
- ❖ Better service (higher collections) + lower price = More money in your pocket.

Results That Make You Go Wow!

- An end to end service provider with on-shore/offshore capabilities
- Scalability, Reliability with improved quality
- Highly Cost Effective Solutions – up to 50% cost reduction
- Quick response and turnaround times as we are always able to fully staff each and every project
- 24*7 operations and customer support
- As the company owner, you focus your time on bringing in new physician accounts and not on hiring, training, and motivating ineffective staff.
- Our billing experts assist your staff in charge-entry, payment posting and other manual chores while your billing staffs focus on negotiating payments with payers and on improving collections for your physician customers
